Please provide contact information of person ordering paver:

Name _____

Address _____

_____

Phone _____

E-mail _____

Examples:

JOHN DOE
NAVY PO2
JUN 1942 - DEC 45

JANE M. DOE
ARMY NURSE
1968-71 VIETNAM

F. LIVINGSTON
AIR FORCE LTC
1955 - 1975

Mail order form and payment to:
Forest Lake City Center Veterans Memorial Fund
1408 Lake St. S - Forest Lake, MN 55025
Phone: (651) 464-3550

The **Forest Lake Area Veterans Memorial** will be located on the east end of Broadway Ave in Lakeside Memorial Park in the semi-circle near the current four flag poles. The proposed concept plan will be finalized when there are sufficient funds from paver sales and other donations to proceed with foundation for the upright pieces.

We envision one taller flag pole will be added in the center displaying the flag of the USA. Symbolic of the POW or MIA soldier, there will be a cut-out silhoutte of a soldier saluting near the POW/MIA flag. At the eastern most flag, there will be a kneeling soldier near the main large granite wall (about 8 by 10 ft).

The wall will be engraved with the names of our Forest Lake Area fallen comrades. The front will also have tributes, patriotic quotes and larger letters saying "Forest Lake Area Veterans Memorial" and a lower line "Lakeside Memorial Park"

Within the semi-circle, six granite pieces will represent the five military Services, with one extra for future needs. They will each have important history vignettes of the Services.

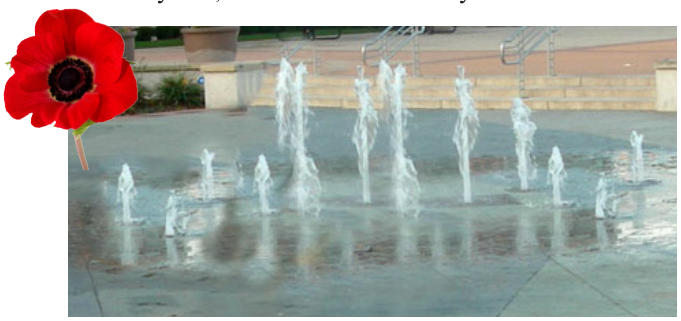

The walkway area is made of **granite pavers**, both small (4" by 8") and large (8" by 16"). These can be purchased with engraving to **honor** any relatives and friends, **living** or **deceased**, who have served in our military. Orders by March 31st are dedicated Memorial Day, and those ordered by Sepetember 15th are dedicated Veterans Day each year.

Tax deductible engraved pavers may be ordered through the Forest Lake City Center by using the attached order form.

The eastern walls of the memorial are low for seating and will include red flowers reminiscent of red poppies. The four silhouettes on the ends of the walls depict Patriot Guards holding flags.

The semi-circle on the west side of the sidewalk is a proposed interactive water feature with lights to draw interest to the area and conversation about the memorials. The water will flow to floor grates by the west wall and then recycled, filtered and chemically treated.

Order by **March 31st** for pavers installed by Memorial Day. Order by **September 15th** for pavers installed by Veterans Day.

LARGE - Forest Lake Area Veterans Memorial Granite Paver - 8" x 16"

Cost: $300.00 *(All orders are tax deductible)*
